Jeff -

Thank you for organizing your **9th Annual “Fill the Skids Feed the Kids” Food and Fund Drive** through **L&M Machining and Manufacturing**, and thank you for choosing Gleaners Community Food Bank as the recipient of your great efforts and generous support of the community this holiday season. Gleaners received a total of **4,052 pounds of food and \$75,825.00**. Thanks to the match by our sponsors and your hard work, your donation will provide an astounding **454,938 meals** to our neighbors in need! Please extend our thanks to all who took part in making your drive a success. We truly appreciate the generosity from everyone who helped those in need to have a much happier holiday season. After 9 years, over 36,000 pounds of food and over \$366,000, you have no doubt warmed the hearts of countless families right here in southeast Michigan.

Without advocates like you Gleaners would not be able to collect over 2.5 million pounds of food each year through food drives in our communities to distribute to our more than 510 partner agencies. Through your support, you are helping to connect hungry people with the food they need when and where they need it.

It was great working with you and we truly appreciate the work you put in to making this effortless for our team. We look forward to working with you in the future. Thank you, again, for choosing Gleaners and supporting our mission to nourish communities and feed hungry people. Please let me know if there is anything else you need.

Allison
